Now in its 15<sup>th</sup> glorious year, the annual HDF Charity Golf Classic is a very special charitable event that brings together many of Bangkok's most caring and fun-loving business people and residents for a thoroughly pleasurable day of golf. **Last year we raised 1,300,000 Bt with 136 golfers.**

This year, as always, all proceeds for the event will be donated to Father Joe Maier's Human Development Foundation to aid in the foundation's programs for Bangkok's poorest children – programs that include:

- Five Homes and shelters for over 200 abused, abandoned, and orphaned children,
- 27 preschools throughout Bangkok's slums attended by over 3,500 poor children,
- One school for older street children who never had the opportunity to learn to read and write
- Thailand's only Legal Aid Center dedicated to poor children – and the protection of children in danger of being sold and trafficked.

The success of this charitable event will depend entirely on our participants – that's you! – to join in teams for a round of glorious golf on a beautiful day; bid for auction items following the tournament; participate in fund raising events throughout the day; or make personal and corporate donations to the **"Human Development Foundation"**.

To sign up as a player/ team, complete the forms on the website ([http://www.bourbonstbkk.com/golf\\_tournament.htm](http://www.bourbonstbkk.com/golf_tournament.htm)), and submit to our tournament committee by fax to 02 2594318. They will contact you immediately to finalize your registration.

Remember, every baht raised makes a huge difference for the poorest children. Please contribute by playing, bidding on auction items, and donation, and please also consider sponsoring the event in cash or kind. See sponsorship opportunities.

Yours sincerely,
